# A LEGACY OF EXCELLENCE SINCE 1982

With a proud legacy spanning more than four decades, DELCCO has become synonymous with reliability, innovation and excellence in **Kuwait's Building and Interior solutions** sector. Established in 1982 as Deal General Trading & Contracting Co. reflecting a strengthened vision to redefine the way people live and move.

From advanced vertical mobility systems to bespoke interior solutions, DELCCO delivers world-class offerings through partnerships with leading global brands—bringing together cutting-edge technology, refined craftsmanship and timeless design. This evolution reflects not just a renewed identity, but a strengthened commitment to progress, safety and customer satisfaction values that have shaped the company's journey for more than four decades.

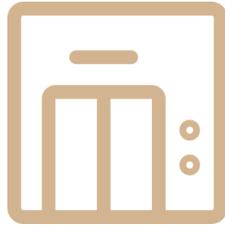

# ABOUT US

Since its inception in 1982, Deal General Trading and Contracting Co. (DELCCO) has consistently delivered exceptional services within the building services industry. With decades of experience, we have built a reputation for providing high-quality, reliable and durable solutions across multiple sectors including **Elevators, Escalators, Home Lifts, Kitchens, Wardrobes and both interior and exterior Doors**. At DELCCO, we believe that success is built on experience, and our skilled team brings decades of expertise in designing, delivering and installing top-tier solutions. From cutting-edge elevators and escalators to luxurious custom kitchens, stylish wardrobes and high-performance doors, we ensure that every project is executed with meticulous attention to detail and a strong focus on our clients' needs.

# SECTORS OF EXPERTISE

Our legacy of excellence, innovation and precision is expressed through two focused pillars of expertise.

## Vertical Mobility

Comprehensive solutions including **Elevators, Escalators, Moving walks and Home lifts** designed for superior performance, safety and aesthetics.

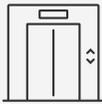

## Interior Living Solutions

Bespoke solutions including **Kitchens, Wardrobes and Doors** crafted for durability, functionality and sophisticated style.

# VERTICAL MOBILITY

DELCCO provides premium elevators and mobility solutions sourced from leading international brands. We ensure seamless vertical mobility with the highest standards of quality and innovation for large - scale commercial and residential projects, as well as individual homes and businesses.

**Elevators:** For residential, commercial and industrial use.

**Escalators and Moving Walks:** Low energy, easy maintenance solutions for high-traffic areas.

**Home Lifts:** Award winning, easy-to-install designs for private residences and businesses.

**Specialized Units:** Including platform, freight and car lifts.

# INTERIOR LIVING SOLUTIONS

DELCCO provides premium interior solutions that combine innovative design, high-quality craftsmanship and full customization to create functional, durable and stylish spaces for modern living.

**KITCHENS:** Featuring smart technology, automated storage and high-quality materials.

**WARDROBES:** Designed for elegance and smart organization to maximize space sophistications.

**DOORS:** High performance interior and exterior doors crafted for lasting durability and sleek customizable design.

# OUR SERVICES

We provide a complete end-to-end service to ensure quality, safety and reliability at every stage of your project's lifecycle. Our skilled team brings decades of expertise to every phase.
